# **Helping Women Lead Productive Lives After Incarceration**

**Therefore, if anyone is in  
Christ, he is a new creation.  
The old has passed away;  
behold, the new has come.  
II Corinthians 5:17**

### ***Redemption House is:***

A non-profit organization in the midlands of SC providing an environment for change and growth for women upon their release from incarceration. Residents of Redemption House desire changed lives as evidenced by their participation in regular discipleship while still detained. Spiritual support and Biblical counseling is the basis of each resident's time spent at Redemption House. They will be offered the support and resources needed to begin their new lives with meaning and purpose as they rejoin our community.

### ***Our Executive Board:***

Consists of people devoted to helping these women. As individuals with varied experience in leadership, we are dedicated to serve as positive role models.

### ***Our Auxiliary Board:***

Is made up of pastors and friends who have committed to prayerfully support the work of Redemption House.

### ***Our Concern and Our Solution***

A woman leaves jail or prison with only the clothes and possessions she had when she entered: often homeless, unemployed, and without financial resources. Many of these women have come out of abusive situations and some have never learned basic life skills. With few options, they often resort to previous poor lifestyle decisions, frequently ending up back in jail or prison.

Since there are resources available for drug and alcohol problems, Redemption House focuses on helping women with other needs. Redemption House is a place where they can grow in their Christian faith, learn advanced life skills, and be prepared for independent living and employment, ending this cycle of futility.

### ***Our Basic Teaching Resources***

Along with the Bible, we will be using the SALT (Seven Areas of Life Training) material written and published by Victorious Christian Living International as well as books and tapes produced and published by Precept Ministries and others. The SALT discipleship series equips people to live victoriously in all seven areas of life: Spiritual, Psychological, Social, Physical, Financial, Marital, and Parental.

We will offer classes covering healthy cooking, exercise, gardening, homemaking, interviewing skills, keyboarding skills, and phone etiquette. When appropriate, a resident may attend the public school Adult Education Program to help them secure a GED. Residents may also attend Midlands Technical College to earn an Associate's Degree or comparable professional certification. Our hope is that the women find a career path, not just a survival job. When necessary, the women will be directed to appropriate support programs in the community.

### ***Your Support:***

Will touch the lives of many women and leave a positive and lasting impact on our community. Will you help us empower these women to be all they were created to be and to walk in the fullness of God's destiny for them?

***Dear Friends,  
Since God so loved us, we also ought to love one another. No one has ever seen God; but if we love one another, God lives in us and His love is made complete in us.
